ORDER DISMISSING CASE

Case No. 2:15CV611DAK

Judge Dale A. Kimball

On August 17, 2017, Plaintiff filed a “request to dismiss case.” The court construes the filing as a motion for voluntary dismissal under Rule 41(a) of the Federal Rules of Civil Procedure. Accordingly, the court dismisses Plaintiff’s case without prejudice. Plaintiff agreed to pay the remaining amount due on his filing fee. However, the court waives any further payment.

DATED this 6th day of September, 2017.

BY THE COURT:

DALE A. KIMBALL

United States District Judge
